Rick Kendrick, Owner of Your Home Sold Guaranteed Realty of Florida

“We love and adore creative real estate programs and outside-of-the-box thinking and innovation that brings value to home buyers, sellers, and in this case, renters as well,” commented Rick Kendrick, co-owner of Your Home Sold Guaranteed.

"Divvy is doing extraordinary things that are improving lives and our industry, and we are beyond pleased to collaborate."

The Divvy Homes program is a breakthrough five-step process that includes the following:

1. Apply for free—no credit check involved. A person can find out if they qualify for the program in minutes.
2. Go home shopping. If a person qualifies, Divvy gives them a budget, and they can go home shopping. Most homes on the market can be approved.
3. Divvy buys the home. They pay for the home in cash, covering fees, closing, taxes, and insurance. The renter pays 1% to 2% of the selling price, which goes towards savings for their future down payment on their dream home.
4. Move In. The monthly rent includes savings going towards the future mortgage. The program is designed to have renters ready to buy the home in three years.
5. Decide to buy the home or keep the savings. Plans sometimes change, and in the end, the renter can always get back the money they saved with no problem.
