ASSETS AND WEB3 VENTURE BUILDING
FOR THEIR CLIENTS

Inacta Group, a leading Swiss IT solution provider with a venture building arm focused on blockchain enabled business models, and Roland Berger, a global strategy consulting firm, have disclosed that they are working on joint Web3 projects and intend to closely cooperate on many more in the future. One of the projects is for the German utility giant E.On which was announced in December 2022, another is for a pharma- and consumer goods giant based in Switzerland.

“

With this new partnership, we extend our offering further towards the implementation of Web3 ventures, while still maintaining the necessary objectivity to be protocol- and vendor agnostic.”

Pierre Samaties

Inacta is headquartered in Zug, Switzerland, in the heart of Crypto Valley, and has delivered many Digital Assets and Web3 projects for clients like AXA, InCore Bank, Swiss Post, Raiffeisen Bank and Visa. Additionally, Inacta has been one of the initiators of the fastest growing blockchain ecosystem in the world, MENA focused [Crypto Oasis](#).

Crypto Oasis has been the facilitator for this deal by connecting the stakeholders through their expert knowledge of the global Web3 network. “Many such deals, connecting global players, have been orchestrated by Crypto Oasis as we build on the strong infrastructure of the Middle East and the talent and capital migration into the region”,

says Saqr Ereiqat, Co-Founder of Crypto Oasis.

Roland Berger has been at the forefront of advising blue-chip companies, investment funds and governments on Digital Assets, Web3 and Metaverse strategies and use cases.

INACTA.

"Inacta is a reputable company in the Web3 ecosystem. With this new partnership, we extend our offering further towards the implementation of Web3 ventures, while still maintaining the necessary objectivity to be protocol- and vendor agnostic, a key value for us when advising clients", says Pierre Samaties, Partner and Global Head of Roland Berger's Digital Asset, Web3 and Metaverse practice.

"Roland Berger is a thought leader among the top strategy consulting firms in the Digital Assets and Web3 space. With our strategic partnership, we can combine strong strategy consulting skills with Web3 implementation power for our clients. We leverage this experience out of Crypto Valley and the growth in Crypto Oasis to bring more Web3 and Digital Asset solutions into the corporate world. For us, it is not about trading of cryptocurrencies, it is about building infrastructure for Tokenization, Provenance and Digital Identities in several areas", says Ralf Glabischnig, Managing Partner and founder of Inacta.
