

D&J Mechanical, LLC Helps Homeowners and Businesses in Hermon, Maine with Heat Pump Installation Services

Trusted heat pump company, D&J Mechanical, LLC, announces high-quality heat pump installation services for homeowners and business owners in Hermon, Maine.

HERMON, MAINE, UNITED STATES, March 6, 2023 /EINPresswire.com/ -- Locally-owned heat pump company [D&J Mechanical, LLC](#) today announces the offering of its heat pump installations in Hermon, Maine. Now the HVAC company serves eight towns in Penobscot County, thirteen towns in Piscataquis County, and three towns in Somerset County.

From growing families to small business owners, climate control is a key concern for all Central Maine communities. Temperatures regularly drop to 15°F and lower in this part of Maine, and the summer heat can also be very oppressive. D&J Mechanical, LLC supplies and installs Mitsubishi mini-split systems to communities in Central Maine, and the company also provides trusted HVAC maintenance and repair services.

"We're excited to help our community with our [heat pump installation services in Hermon, Maine](#)," said Dan Hartford from D&J Mechanical, LLC. "We specialize in Mitsubishi mini-split systems because they're among the very best heat pumps available. Not only do they provide industry-leading performance, but they're also built to last and designed to operate effectively in extreme conditions. Along with installing new heat pumps, we also offer a reliable maintenance and repair services. As a qualified Efficiency Maine Residential Registered Vendor, we help our customers maximize their rebates and reduce their energy bills."
