Top Software Product Design Agency IIIMPACT selected to Inc.'s List of the Southwest Fastest-Growing Private Companies

With a Two-Year Revenue Growth of 236%, IIIMPACT, Inc. Ranks No. 61 on Inc. Magazine's List of the Southwest Region's Fastest-Growing Private Companies

AUSTIN, TEXAS, USA, March 5, 2023 /EINPresswire.com/ -- The companies on this list show a remarkable rate of growth across all industries in the Southwest region. Between 2019 and 2021, these # private companies had an average growth rate of 557 percent and, in 2021 alone, they added 16,116 jobs and nearly $5.5 billion to the Southwest region's economy. Companies based in the Austin, Texas, Scottsdale, Arizona, and Fort Worth, Texas, areas had the highest growth rates overall.

IIIMPACT Software UX Design and Development Company

Complete results of the Inc. 5000 Regionals Southwest, including company profiles and an interactive database that can be sorted by industry, metro area, and other criteria, can be found at inc.com/southwest starting February 28, 2023."

> 2-years in a row on Inc's list! This exemplifies the commitment we have for our fantastic clients, taking ownership of what we deliver & strive to make our clients' products more successful."
>
> *Makoto Kern, Founder / UX Principal*

This year's Inc. 5000 Regional winners represent one of the most exceptional and exciting lists of America's off-the-charts growth companies. They're disrupters and job creators, and all delivered an outsize impact on the economy. Remember their names and follow their lead.

These are the companies you'll be hearing about for years to come," says Scott Omelianuk, editor-in-chief of Inc. magazine.

IIIMPACT has [successfully collaborated](#) with hundreds of companies worldwide helping them create the best user experience, strategy, and product innovation and improving their DevOps and DesignOps processes for a coachable and scalable team.

We help companies quickly align internally, set priorities, and reduce risk when making new, innovative software products. We do this by putting in place a user-centered design process that makes sure their customers find the products easier to use and more engaging.

The path to launching successful software products is full of problems that will wreck your budget and team if you don't do things right. IIIIMPACT's strategic product development processes help companies get around these problems and bring more successful products to market faster so they can jump ahead of the competition.

More about Inc. and the Inc. 5000 Regionals

Methodology
The 2023 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2019 and 2021.

Inc 5000 certified recognition logo

Makoto Kern - UX Consultant

To qualify, companies must have been founded and generating revenue by March 31, 2019. They

had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2021.

About Inc. Media
The world's most trusted business-media brand, Inc. offers entrepreneurs the knowledge, tools, connections, and community to build great companies. Its award-winning multi-platform content reaches more than 50 million people each month across a variety of channels including websites, newsletters, social media, podcasts, and print. Its prestigious Inc. 5000 list, produced every year since 1982, analyzes company data to recognize the fastest-growing privately held businesses in the United States.

The global recognition that comes with inclusion in the 5000 gives the founders of the best businesses an opportunity to engage with an exclusive community of their peers and the credibility that helps them drive sales and recruit talent.

The associated Inc. 5000 Conference is part of a highly acclaimed portfolio of bespoke events produced by Inc.
