

# Encinitas declares March 6-10 Divorce With Respect Week

*California divorce professionals to host free consultations during Divorce With Respect Week*

ENCINITAS, CALIFORNIA , UNITED STATES, March 6, 2023

/EINPresswire.com/ -- City of Encinitas Mayor Tony Kranz has proclaimed March 6-10, 2023, as Divorce With Respect Week in Encinitas, citing [Collaborative Practice](#) San Diego's dedication to out-of-court dispute resolution using the Collaborative Practice model of conflict resolution and California's recognition of the Collaborative Law Process as an alternative to adversary judicial intervention.

"We're honored to receive this recognition from Mayor Kranz and excited to help more couples manage their divorce process by offering free consultations with California Collaborative Divorce professionals," Encinitas Collaborative Divorce attorney and mediator Rebecca Medina said. "Collaborative practice offers families a way to resolve disputes peacefully, respectfully and privately with the support of a multidisciplinary team of divorce professionals."

City of Encinitas "Divorce With Respect Week" Proclamation

Over 200 Collaborative Practice California divorce professionals have joined together for the second annual Divorce With Respect Week to build awareness of Collaborative Divorce as a better way to untie the knot. Divorce With Respect Week is an opportunity for California residents with questions about divorce to meet with an attorney, divorce coach, mental health professional or financial specialist to learn more about their divorce options at no cost.

Collaborative Divorce is a more peaceful process for resolving family law disputes where two parties work with lawyers, child specialists, mental health professionals and financial coaches to craft their own divorce agreements. Decisions are made by the couple without going to court or involving a judge or other third-party decision maker. The Collaborative Divorce process, as advocated for by members of the International Academy of Collaborative Professionals (IACP), has been nominated for the 2023 Nobel Peace Prize for transforming the way families resolve conflict.

Interested parties should visit [divorcewithrespectweek.com](https://divorcewithrespectweek.com) to find a participating professional and to schedule a free 30-minute consultation. Divorce professionals will meet privately with potential clients during an informal virtual meeting to answer questions and discuss their options for divorce.

Collaborative Practice California is a group of divorce professionals who help individuals learn more about the collaborative process, discover dispute resolution methods and find collaborative attorneys, mental health practitioners and financial specialists. Its mission is to unify, strengthen and increase public awareness of the Collaborative Divorce process throughout California. Collaborative Practice California launched Divorce With Respect Week in 2021. Learn more [at divorcewithrespectweek.com](https://divorcewithrespectweek.com).
