

# SLIMPACT® Presents XL Single Lite Windows

*SLIMPACT® by Faour Glass Technologies welcomes the newest product innovation for Hurricane markets, SLIMPACT® XL Single Lite Windows.*

TAMPA, FL, UNITED STATES, March 6, 2023 /EINPresswire.com/ -- SLIMPACT® by [Faour Glass Technologies](https://www.favourglass.com/), a leading provider of custom architectural glazing products for the high-end residential and commercial markets, welcomes the newest product innovation for Hurricane markets, SLIMPACT® XL Single Lite Windows. This sleek glazing solution is designed with extra-large single lite openings capable of meeting a range of widths and heights, providing up to 96 square feet of coverage. (Please ask about our Jumbo product if openings require up to 200 square feet of coverage). The XL Single Lite Windows are engineered using HVHZ Florida Product Approval (FL #25673.3).

SLIMPACT XL Single Lite Windows complement SLIMPACT frameless hurricane window wall systems and are engineered to offer discerning residences and building owners the option to use SLIMPACT in a single “punched” opening. This innovative single lite opening provides solutions for designs desiring unobstructed views from the inside looking out as well as from the outside looking in.
