BARCELONA, SPAIN, March 8, 2023

/EINPresswire.com/ -- A new brunch destination has just opened up in the trendy neighborhood of [Gracia](#). EatMyTrip Brunch & Coffee [Barcelona](#) is the latest addition to the popular chain of brunch restaurants EatMyTrip in Barcelona & Madrid. The new brunch spot promises to offer a unique culinary experience and the largest selection of specialty coffee in the Gracia neighborhood.

EatMyTrip Brunch & Coffee Barcelona is located on the border of two districts Gracia and San Gervasi and offers a warm and inviting atmosphere with a relaxing surf vibe. New Eatmytrip is a perfect brunch place for friends and families to enjoy a delicious breakfast together. The interior design of the restaurant is modern and cozy, with pops of color that make the space lively and inviting.

The menu at EatMyTrip Brunch & Coffee Barcelona is curated by young owners who are passionate about inclusive gastronomical experiences. This new brunch destination features a variety of exceptional menu items that have proven to be popular at other EatMyTrip establishments. Delicious dishes inspired by traveling across the world: from classic American recipes to Swiss Alps, mixing flavors from Japan, Korea, and Thailand.

The design of their dishes will amaze even the most pampered Instagrammer, and the epic fusion flavors will make the most indulged foodies happy. Our favorites are Macho Iberico Benedict with its poached eggs covered with truffled hollandaise sauce, crispy Iberian jamón, spinach on top of cheesy bikini with a side of roasted potatoes and a homemade BBQ sauce.

EatMyTrip Brunch Dishes

Pavlova pancakes with crème anglaise infused with orange & vanilla, meringues, forest berries compote & fresh fruits. And Guacascramble with 2 creamy scrambled eggs with chives, guacamole, house-marinated salmon tartar on toast, and dots of sour cream. You can personalize all the dishes with custom ingredients: avocado, jalapeños, potatoes, pulled chicken, and more.

All the dishes are made of eco-products with respect for nature and cater to all dietary preferences, including vegetarian and gluten-free options. No surprise that Eatmytrip restaurants are so popular among plant-based diet followers. The new Eatmytrip Brunch & Coffee in Gracia also offers vegetarian and vegan brunch options that will drive you crazy. Our recommendation? Buddha bowl, Strawberry

cheesecake French toast, or Pavlova pancakes. One of the highlights of the menu is the avocado toast, which is served on freshly baked bread and topped with a variety of fresh ingredients.

Another remarkable trait of the new brunch restaurant in Gracia is a large selection of specialty coffees: Chai latte Prana with oat milk, Green matcha latte, Barbie chai latte, Turmeric immune power latte, Flavored hot chocolate, Iced Barbie latte, flat whites, classic cappuccinos of M-L-XL sizes. These are just a few items from their large coffee list.

EatMyTrip Coffee is sourced from some of the local coffee farms in Colombia. The owners are in touch with the farm to ensure that customers get a high-quality cup of coffee every time.
