The Stevie Awards for Sales & Customer Service are the world's top honors for customer service, contact center, business development and sales professionals. The Stevie Awards organizes eight of the world's leading business awards programs, also including the prestigious American Business Awards® and International Business Awards®.

Winners were announced during a gala event attended by more than 400 professionals from around the world at Caesars Palace in Las Vegas, Nevada on Friday, March 3.

INTOO's achievement is significant because its front-line team of expert career coaches maintained a 97% satisfaction rating while managing a +91% increase in need for the company's unlimited on-demand coaching service. This service offers job seekers 1:1 guidance at the click of a button seven days a week. More than 2,300 nominations from organizations of all sizes and in virtually every industry, in 49 nations and territories, were considered in this year's competition. Winners were determined by the average scores of more than 170 professionals worldwide on seven specialized judging committees. Entries were considered in more than 90 categories for customer service and contact center achievements, including Contact Center of the Year, Award for Innovation in Customer Service, and Customer Service Department of the Year; more than 60 categories for sales and business development achievements, ranging from Senior Sales Executive of the Year to Sales Training or Business Development Executive of the Year to Sales Department of the Year; and categories to recognize new products and services, solution providers, and organizations' and individuals' response to the COVID-19 pandemic.
