

GR8 People Guarantees Implementation Performance Results and Costs with Better Together Program

The first program by an Enterprise Talent Solutions provider to guarantee costs, results, and the performance to deliver them.

PHILADELPHIA, PA, UNITED STATES, March 8, 2023 /EINPresswire.com/ -- [GR8 People](#), the leading talent acquisition platform to source, attract, engage and hire every workforce type in one seamless experience, announced its "Better Together" program, designed to capitalize on its ability to provide fast, cost-effective world-class solutions. GR8 People's announcement unveils the industry's first Guaranteed Performance Results for on-time implementation and software costs.

With GR8 People's "Better Together" program the guarantee sets a new standard for the industry by accelerating a customer's time-to-value through fixed costs and mutually agreed upon timeframes, shortening the time it takes to utilize technology for business advantage. GR8 People has an excellent track record of delivering on its promises and being transparent with customers regarding the cost of its solutions upfront. The new program offers Guaranteed Performance Results to significantly reduce the risk of delayed deployments and cost overruns, just as corporate executives are insisting on absolute hard results for any initiative.

With the combination of our on-time guaranteed implementation and "Better Together" program, we now provide our customers with a proven partnership and roadmap leading to their ultimate goal of having the power to perform – guaranteed," said Diane Smith, CEO of GR8 People.
