

# MG STOVER LAUNCHES DIGITAL ASSET PLACEMENT SERVICE TO NURTURE THE NEXT GENERATION OF FUND ADMINISTRATION EXPERTISE

DENVER, UNITED STATES, March 8, 2023 /EINPresswire.com/ -- [MG Stover](#), the leading and longest tenured fund administration firm for digital assets and a subsidiary of [PolySign](#), Inc., has announced the launch of its new recruitment service. Since 2014, the firm has led the digital asset industry in developing accounting standards and the establishment of industry reporting and compliance best practices.

With the launch of MG Stover Placement Services, the firm adds a specialized recruitment facility to its suite of institutional-grade fund administration offerings to include:

Executive / C- Suite Search  
Strategic Hiring – Middle Management and Specialists

Access to:  
Fund Accountants  
Investor Services  
Sales and Business Development  
Software Developers  
Salary & Compensation Advice

Matthew Stover, President of MG Stover, commented: “The launch of MG Stover Placement Services is a much-needed first for the digital asset ecosystem. In such a rapidly changing industry, funds entering the space need support not only with data, portfolios and reconciliations but also help to find the right kind of specialized talent. Our placement service allows us to find and train the best professionals for ourselves as a business while also nurturing that talent to support our clients as the digital asset industry continues to grow and evolve.”

Brian Wolf, Chief People Officer, PolySign, said: “MG Stover has been a leader in the digital asset

fund administration space for almost a decade. With this expertise and experience, we are connected to many industry players in this highly specialized field. Combine that with our white glove client service, it truly is a unique offering.”
