opportunities and creating a platform for amateur and professional gamers to thrive and develop sustainable career paths.

Kon10Dr hosts and organizes premium tournaments across Nigeria, providing a platform for gamers to showcase their skills and compete for top prizes. FITGMR developed the first app specifically designed to meet the mental and physical demands of gamers and esports athletes, and offers a science-based curriculum for secondary and post-secondary educators and coaches to support healthy gaming education and practice.

Through this partnership, Kon10Dr and FITGMR are poised to revolutionize the esports industry in Nigeria, working together to provide esports athletes with the necessary resources and training to grow and succeed in the esports industry. With the booming esports market in Nigeria, this partnership will create a platform for local players to compete at the highest level, integrating the FITGMR's healthy gaming system and technology into Kon10Dr esports programming.

"We are excited to partner with FITGMR to support the growth of the esports industry in Nigeria," said Sidney Esiri, Founder of Kon10Dr. "This partnership will provide gamers with the tools they need to succeed in the industry, and create opportunities for local talent to shine on the international stage."

"Our partnership with Kon10Dr is an exciting step forward for FITGMR, and for the esports industry in Nigeria," said Kristin Anderson, CEO and Co-Founder of FITGMR. "Together, we will provide gamers with the training and resources they need to succeed in the industry, and help build a strong, sustainable and healthy ecosystem for esports in Nigeria."

About FITGMR
