ELMIRA, NY, UNITED STATES, March 14, 2023 /EINPresswire.com/ -- [Residents Medical](#), a leading provider of medical residency training resources, has teamed up with [Arnot Ogden Healthcare](#) to host a Casino Night fundraiser on March 25, 2023, to benefit medical students in need of financial support to manage the cost of medical school.

The scholarship fund is designed to support medical students who are facing financial difficulties and come from underrepresented communities. The funds raised from the casino night will help these students cover their educational expenses including tuition, books, and living costs. Those interested in supporting the program can also participate in a silent auction going on now online through March 17, and then live at the event:

"We are committed to making a positive impact on the lives of medical students and improving diversity and inclusion in healthcare," said Dr. Michael Everest, Chairman of Residents Medical. "We believe that education should be accessible to everyone regardless of a person's background, and our longstanding partnership with Arnot Ogden Healthcare helps make this a reality for so many aspiring physicians."

The Casino Night will feature a variety of games, including blackjack, poker, and roulette, along with delicious food and drinks, and live entertainment. Guests will have the opportunity to win exciting prizes while supporting a great cause.
