Artist Bio for Gallery Bistro showing of AQUATICA by Chris Nobbs

Chris Nobbs is an artist and lifelong resident of Yakima, Washington. His artistic interests are music, pottery, woodcrafting, lapidary, painting and drawing. If not at home with his family of 8, Chris can be found either collecting rocks and insects or drowning flies along the Yakima River and its tributaries, studying insects, creating and helping at the Yakima Maker Space or whatever other “rabbit trail” art style or activity his ADHD takes him. He plays trombone in the band Cockaphonix and performs with them regularly throughout Washington State and elsewhere.

The Pacific Northwest is, and has been, an amazing muse for any artist and is also the inspiration for all of Chris' art and life.
