

National Veteran Business Development Council Announces Freddie Mac's Continued Support for Veteran Businesses

NVBDC announces Freddie Mac's returns as a Corporate Member.

DETROIT, MI, UNITED STATES, March 17, 2023 /EINPresswire.com/ -- The [National Veteran Business Development Council \(NVBDC\)](#) today announced that Freddie Mac is returning as a Corporate Member. Freddie Mac is committed to supporting [NVBDC Certified](#) Service-Disabled and Veteran-Owned Businesses (SD/VOBs). This includes an ongoing effort to enhance their outreach to secure SD/VOBs in their procurement opportunities.

Freddie Mac's mission is to make home possible for families across the nation. Since 1970, they have helped tens of millions of families buy, rent, or keep their homes. Freddie Mac recognizes the value that partners — such as veteran-owned businesses — bring to delivering on that mission and works to attract and develop diverse suppliers equipping them to better compete for contracting opportunities.

"Diverse suppliers continue to be at a significant disadvantage when it comes to doing business with large firms. Freddie Mac remains committed to better positioning service-disabled and veteran-owned businesses to compete for contracts at our company and elsewhere. This year, we are enhancing our supplier diversity development curriculum including re-launching our signature program – Supplier Academy – to help diverse businesses get from, 'No to Know.'" said Wendell Chambliss, Senior Vice President and Chief Diversity and Inclusion Officer at Freddie Mac.
