ROCKVILLE, MARYLAND, USA, March 8, 2023 /EINPresswire.com/ -- It's time to raise a glass of milk and celebrate because Bell's Reines, the premium gourmet cookie company, has announced the appointment of their new President, Joyce Thompson. Thompson will be working alongside her niece and great-niece, co-founders Teneisha Bell-Thompson and Angel Thompson Cephas, to bring even more deliciousness to the table.

Bell's Reines is also proud to announce that they have completed one year of nationwide delivery of mini-gourmet cookies. It all started on March 7th, 2022, and since then, Bell's Reines has been delighting cookie lovers nationwide with their unique and mouthwatering flavors.

To mark this milestone, Bell's Reines has teamed up with ShopBasket.com to offer their gluten-free chocolate chip regular and snack packs and vegan/gluten-free snickerdoodle regular and snack packs for two weeks. The collaboration offer is valid from March 9th, 2023, to March 23rd, 2023, during their first pop-up storefront in Bloomingdale's NYC. This pop-up is part of The Carousel @ Bloomingdale's Female Founders Tika Sumpter event, and visitors can taste and purchase Bell's Reines' delectable treats in person.

Co-founder Angel T. Cephas said, "We strive for excellence and innovation. Our next flavors will include more flavors and vegan options within the next two quarters." "We pride ourselves and our products using the highest quality of ingredients, love, and happiness," she added.

But that's not all! Bell's Reines has also expanded to three new locations within Virginia - Ronald Reagan National Airport (DC Originals, America! and Capitol File News) - and two locations within Maryland - SW7.design and Local By Design in Annapolis Mall, MD.
