Southeast Asia, American, and Australian producers. With added distribution on the Binge Network, Zondra TV now has a reach on 300 other channels throughout the world.

ZondraTV and her collaboration partners are award-winning networks, offering turn-key, full streaming solutions, unparalleled technology platforms, and generating millions of views every month. ZondraTV Network is the first to develop a TV/Media Academy teaching business entrepreneurs how to become TV producers and monetize their content.

Digital streaming television is the fastest-growing market in

media. Companies are able to monetize their content, leverage pay-per-view platforms, create subscription channels, and take part in global distribution on Smart TV outlets.

Every year, these networks support hundreds of entrepreneurs, authors, and thought leaders in

expanding their businesses using the following methods of utilizing online broadcasting:

Construct a sizable, involved online audience consisting of your target clientele
Become a go-to leader in your field and a significant edge over the competition.
Increase the number of contacts, calls, and leads in your sales funnel.
Use Smart TV devices to reach a global audience.
