“

In these times of ignoramuses, it's a relief to read Daniel P Quinn's adroit 'organized labor'.

Quinn is adept at the written word as he is at the spoken word with all his theatrical ventures”

Malachy McCourt on "organized labor" by Daniel P Quinn.

"In these times of studied ignorance idiocy illiteracy and strutting ingnoramusses, it's a relief to read Daniel P Quinn's adroitly titled 'organized labor'.

Quinn is adept at the written word as he is at the spoken word with all his theatrical ventures. Reading this collection you can almost hear the gentle strains of an operatic aria in the Italian parts and musicality is not absent in the other parts.

Rich in content and well worth taking on a short or long trip. " Malachy McCourt, NYTimes Best Selling Author.

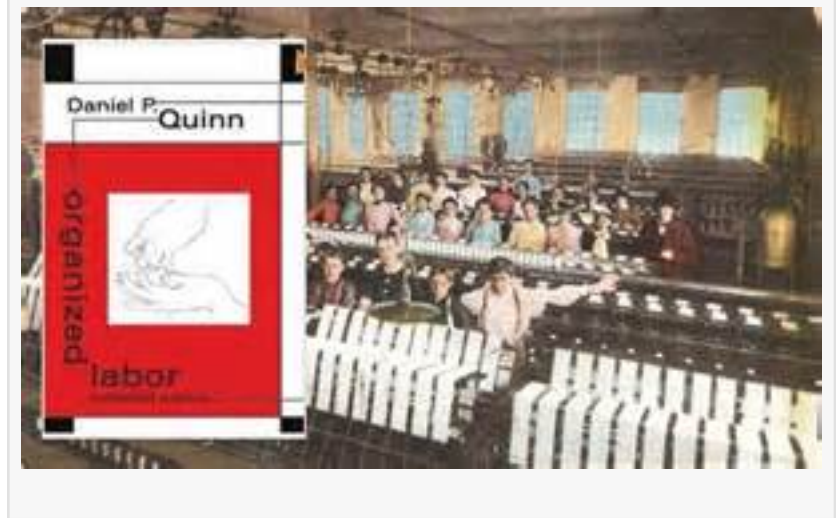

"Organized Labor by Daniel P. Quinn is a wonderful book of poems. His language is very specific and his images powerful. There are poems that evoke old New York and also poems that address recent issues we face today in the world since 9/11". Review by Davidson Garrett
