

# Intense Technologies attends Insurtech Insights in London held on March 1 and 2, 2023

*Intense Technologies attends Insurtech Insights 2023, Europe's largest congregation of insurers and Insurtechs*

HYDERABAD, TELANGANA, INDIA, March 9, 2023 /EINPresswire.com/ -- Intense Technologies, a leading provider of digital solutions, has participated in Europe's largest congregation of insurers and insurtechs, Insurtech Insights 2023 conference held in London on March 1st and 2nd.

The dynamic trio of Intense attend Insurtech Insights 2023 in London

Insurtech Insights is a global conference series that brings together the insurance industry's leading innovators, disruptors, and decision-makers to share insights on the latest trends, technologies, and solutions driving transformation in the industry. The event featured panel discussions, keynote speeches, and networking opportunities for attendees to connect with peers and industry experts.

“

Our participation in Insurtech Insights underlines our commitment to enabling insurers to deliver exceptional digital experiences that meet and exceed customers' evolving expectations”

*Avinash Kulkarni*

As a trusted partner to some of the world's largest insurers, Intense Technologies used the opportunity to showcase its cutting-edge solutions, including its flagship [digital platform UniServe™ NXT](#) and [digital customer engagement](#) platform including CCM. The platform leverages advanced technologies like AI, machine learning, and automation to deliver personalized, contextual, and intuitive experiences across multiple channels and

touchpoints, enhancing customer experience and loyalty.

Intense Technologies were represented by Avinash Kulkarni (Global Head, Cloud Business), Uday

Paturi (Head of Pre Sales), and Timothy J Gunasekar (Assistant Vice President – Projects) at the conference. The event kickstarted with an insightful keynote session by Dame Inga Beale, Portfolio Director, and an inspirational speaker. She emphasized how "innovation, youth, and risk-taking behavior is the need of the hour. Insurance needs fresh blood," setting the tone for the event.

"Our participation in Insurtech Insights underlines our commitment to enabling insurers to deliver exceptional digital experiences that meet and exceed customers' evolving expectations. We got a perfect chance to engage with fellow thought leaders and share our expertise on how technology can help insurers overcome their most pressing challenges," said Avinash Kulkarni.

Intense Technologies was delighted to showcase its capabilities and discuss how it can help them achieve its digital transformation goals.

Intense Technologies is a forerunner in developing best-in-class digital solutions, accelerating digital transformation journeys for enterprise customers across domains including the banking industry.
