

Ascenda™ Achieves Diamond Status in RingCentral Reach™ Partner Program

As a RingCentral Reach™ Diamond Partner, Ascenda™ is among a select few RingCentral partners globally to earn this distinction.

LISLE, ILLINOIS, USA, March 15, 2023 /EINPresswire.com/ -- [Ascenda, global thought leaders](#) in total experience technologies announced today that it has achieved Diamond status in the RingCentral Reach™ partner program. As one of the top RingCentral partners globally, Ascenda brings RingCentral's industry-leading unified communications and contact center solutions to businesses around the world.

RingCentral Reach provides channel partners with the tools and resources to help companies of all sizes achieve greater business success with RingCentral's leading cloud communications, collaboration, video meetings and contact center solutions. Partners with Diamond status are valued for their deep expertise and guidance in helping customers switch to cloud-based communications, and for their ability to tackle large-scale, complex enterprise needs.

“

We're grateful for our collaborative relationship with Ascenda and look forward to continuing to work together to routinely deliver for their customers.”

Zane Long, SVP Global Partner Sales, RingCentral

“We're excited to continue our partnership with RingCentral; raising it to the next level of success and execution, said Jim Shaver, Owner, Ascenda. “One of our principles is to provide clients market-savvy digital solutions to increase customer loyalty and insights,

increase revenue and margins, and to rapidly adjust to ever-changing market realities; and RingCentral checks all of those boxes.”

“RingCentral Reach Diamond partners are among the best of the best. They are the partners that truly drive change and make an impact for their customers,” said Zane Long, senior vice

president of global partner sales at RingCentral. "We're grateful for our collaborative relationship with Ascenda and look forward to continuing to work together to routinely deliver for their customers."
