

ellee ven Wastes No Time Releasing “I Won’t Wait For Springtime”

ellee ven and her band, The Groovalution, release the ethereal single “I Won’t Wait For Springtime” today, celebrating Spring before it’s here.

NEW YORK CITY, NEW YORK, USA, March 9, 2023 /EINPresswire.com/ -- Produced in partnership with Terry Santiel, ellee wrote this song as a last attempt to get through to a failing relationship. The lyrics express the pain and frustration one feels when personal freedom is at risk. In the song rather than sitting back and waiting for her future to start, she chooses to create her own. It’s about perennial Springtime with no need to wait for external validation. Its musical composition, was written by The Groovalution's keyboardist Jeff Motley and features the rich, melodic strings of violinist Laurann Angel.

From the moment Jeff first played the music, it felt like the sweetest escape; I could hear the violin and the words and melody I'd sing.”
