

# Robert Burley Announces the Release of His Book 'The Japanese Pilot: A New Beginning'

TOMAH, WISCONSIN, USA, March 10, 2023

/EINPresswire.com/ -- Robert Burley wants to share a new genre of romantic comedy through his book 'The Japanese Pilot: A New Beginning'. The story is about Shinzo Watanabe, a Japanese fighter pilot, comes to bomb the city of Darwin during World War 2. When his zero is shot down by anti-aircraft fire, he manages to fly until the plane crashes. Shinzo is able to parachute to safety in North Queensland. When he is picked up by a farmer, Trevor Flanagan, he is taken home and fed, and treated very well by the Flanagan family. He is given work to do by Col Flanagan. Shinzo adapts quickly to farming life in Australia and eventually meets, courts and marries Gerty, the Flanagan's lovely young niece.

When asked about his inspiration in writing the book, and his message to the readers, Robert answers, "I have always believed that showing kindness wherever possible will yield better results than being harsh. This book, 'The Japanese Pilot,' is basically a

romantic comedy. It is a fun read and will bring a smile to many faces as Shinzo struggles with Australian ways of saying and doing things. Shinzo is a good man with a good heart and develops into a resourceful businessman and family man. He only needed the opportunity."
