Shannon Gilligan

Glitterpony Farm is the first holiday-themed CYOA for readers ages 5-8 following the Easter adventures of FancyPants McGlitterpony on a family farm. But this is no ordinary farm. It's filled with glitter tornadoes, bounce bees, slimy snails, and a disco ball hamster who throws wacky dance parties. Children will even get the chance to save the day, helping the Easter Bunny deliver all its eggs.

To celebrate the launch of Connolly's book, [Annie Bloom's Books](#) in the author's hometown of Portland, Oregon will host a book reading and signing event on Monday, March 27 from 7:00 to 8:00 p.m.

Connolly is the author of the popular tween series "Seriously Wicked." She has also written "Ironskin," a fantasy trilogy for adults, and was a "Best Novelette" finalist for a Hugo, Nebula, and Locus Award for "The Last Banquet of Temporal Confections." Her narrations include over a hundred audiobooks and podcasts. Connolly co-hosts the science fiction short story podcast "Escape Pod" and runs the award-winning flash fiction podcast "Toasted Cake." "Glitterpony Farm" is her first CYOA.

Celebrated artist, Norm Grock illustrated "Glitterpony Farm," his second Dragonlark title. Grock has done work for Cartoon Network, Lionsgate Entertainment, and Highlights magazine.

Chooseco's Dragonlark imprint is for younger readers ages 5-8. Choose Your Own Adventure books empower children through choice with different endings to discover, encouraging reluctant readers to engage with books in a new and exciting way.

"Glitterpony Farm" is available now wherever great literature for children is sold.
