

Life Line Services Announces Opening of New Outpatient Suboxone Program in Greenville, SC

Life Line Services to offer effective, high-quality medication-assisted treatment to residents of Greenville, SC and surrounding area.

GREENVILLE, SOUTH CAROLINA, USA, March 10, 2023 /EINPresswire.com/ -- [Life Line Services](#) has opened its [medication assisted treatment](#), Suboxone and mental health therapy practice in Greenville, South Carolina. This new state-of-the-art treatment center will offer medication-assisted treatment on an outpatient basis for individuals battling opioid addiction as well as therapy services with the option of telehealth capabilities

The expert, compassionate clinical team at Life Line Services specializes in the treatment of opioid use disorder using Suboxone, a partial opioid agonist that blocks the opiate receptors in the brain and reduces a person's urges. For people who are desperate to stop using opioids but are unable to tolerate withdrawal symptoms and cravings, Suboxone can be an extremely viable alternative to methadone and other medications.

The specialists at Life Line Services believe that people in recovery should have access to programs that are tailored to their individual needs and organized around their schedule. Unlike other [Suboxone clinics](#), Life Line Services offers convenient in-person and virtual appointments that are based on personalized treatment and therapy plans for each patient.
