

Factory Underground Records Presents Debut Single "16" From Hulu's "Life and Beth" Actor Violet Young

Out Now from Factory Underground Records: "16" by Violet Young, the actor who plays young Amy Schumer on Hulu's Life and Beth

NORWALK, CT, USA, March 17, 2023 /EINPresswire.com/ -- "16" is the first of a four-song collaboration by Brooklyn, NY-based writers and producers Jackson Hoffman, Ryder Stuart, and Julia Brex, with actor and singer-songwriter [Violet Young](#).

Brex writes: "Violet came into the studio with lyrical and melodic ideas she had written that Jackson, Ryder, and I felt were so universal to the teenage experience. We crafted this 'ode to coming-of-age,' with a sound that is both modern and timeless, like being 16 again."

"16" has been released to worldwide music streaming platforms by [Factory Underground Records](#), in partnership with Young's Forever Young Productions. The single was distributed by SRG-ILS, a full-service media distribution and marketing service, through Virgin Music/Universal Music Group.

"We couldn't be more pleased to be releasing this talented young actor's debut single, which showcases her unique and powerful vocal," said Michael Cusanelli of Factory Underground Records.

As an emerging singer/songwriter, Young's inspirations include Amy Winehouse, Phoebe Bridgers, and Kacey Musgraves among others.

Of her experience working in the studio with Jackson, Rider, and Julia, Young says: "I've felt more confident about my songwriting and process. I feel like I can dive into a song and trust that it can become something. Working with other people and learning from them has been such a blessing and I know I'm a better musician because of it."
