

Bald Guy Greetings Makes Choosing a Funny Greeting Card Less Terrible

New Cards. New Look. Still Funnier Than Hallmark.

UNITED STATES, March 16, 2023 /EINPresswire.com/ -- Bald Guy Greetings Launches New Line of Humorous Greeting Cards in an Effort to Make Greeting Card Shopping Less Terrible.

[Bald Guy Greetings](#), the popular brand of humorous greeting cards, is excited to announce the launch of their newest line -- [The C-SERIES](#).

A line of 36 cards that promises you'll find at least 35 of them funny. Their motto, "You should never have to spend 45 minutes looking for a funny card."

This might not be the best birthday card in the world. But it's definitely the first one I read at the store.

[With over 280 styles, the original Bald Guy Greetings](#) has been a top selling line and fan favorite since it launched in 2006. Their new line, The C-SERIES, is set to launch on March 21st, 2023 and features the same trademark humor Bald Guy Greetings is known for.

“

I'm beyond excited to introduce the new line and share them with our customers. It's literally my favorite thing in the world to do.”

Whether you're looking for a card for your best friend, significant other, co-worker or family member, Bald Guy Greetings has something for everyone. As long as they enjoy laughing AND they know someone who has a birthday.

"I've been a fan of Bald Guy Greetings for years and was thrilled to see the new line of cards," said Emily, a satisfied customer who received a sneak peek at the line via the BGG newsletter, The Bald Street Journal. "Their new cards are hilarious and unique. My family and friends always look forward to getting a Bald Guy Greeting."

So, if you're in the market for a funny card, they encourage you to visit their website and view their entire line.
