

Sean Finch Joins CYPFER's U.K. Office as Managing Director

LONDON, ENGLAND , March 13, 2023

/EINPresswire.com/ -- TORONTO /

MIAMI – March 13, 2023 – CYPFER

continues to grow its international

footprint, and CEO [Daniel Tobok](#)

welcomes insurance industry cyber

expert Sean Finch as Managing

Director of CYPFER's U.K. office.

"Sean joins CYPFER with a remarkable

CV, and his cyber insurance industry

expertise – especially on the incident

and claim side – is a perfect fit for our

service offerings, providing our clients

with another excellent soldier on their cyber front line," says Tobok.

Sean Finch has over 13 years experience in the cyber insurance industry and has handled

thousands of individual cases, with a specialty in securing front-line support during cyber

incidents. Over that time, his clients have spanned from municipalities, to legal services, and the

energy sector to name a few.

The U.K., as Sean explains, "is one of the most heavily targeted regions in Europe by cyber

criminals, especially its robust financial industry. I look forward to joining CYPFER and their

astute team to help our clients secure their business, digital assets, and customer privacy."

Sean will assume his role as CYPFER's U.K. Managing Director on March 16, 2023. □

About CYPFER

CYPFER is a market leader in ransomware post-breach remediation who provides 24/7 service to businesses, organizations, and governments any time on a global scale. CYPFER combines deep experience in structured, exceptionally creative and threat intelligence enriched negotiation techniques to deliver results that far surpass markets statistics for cyber-extortion and ransomware events. Their expert team of cybersecurity professionals works with several prominent global insurance carriers, leading law firms and Fortune 1000 organizations.
