

A Second Life Began for Gillian Firth, and She Shares Her Experience Through Her Book "Gillian Mk2"

TOMAH, WISCONSIN, USA, March 13, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- In this world of ups and downs, none of us know. Humankind is racing so fast, it is sometimes difficult to pause, appreciate the true purpose of life. Gillian Firth experienced a near-death situation and luckily survived, but it dictates a new existence and nobody knew what would happen... She wrote an inspirational book about her life – 'Gillian Mk2.' When her existence filled with sunshine, parties and good times came to an end, the author stopped taking life for granted. A near-fatal car crash left her comatose for six weeks; Gillian doesn't know what happened on that night and never will. Gillian Mk2 chronicles her feisty determination to regain independence in a society where she was invisible. We followed her trek for the first four years. From hospitals, doctors, and nurses onto more hospitals, and specialists, Gillian Firth is blessed, and clearly her family adores her, she lives to tell the tale and does so with blunt

honesty. Due to people's positive reviews, comments and feedback on her first book, Gillian was motivated and spurred to write a second book. This author will surely be remembered for her flippant, but serious, heart-rending yet hilarious, kick in the teeth... it is what it is.

When asked about her inspiration in writing the book and her message to her reader, Gillian answers, "My husband divorcing me is my driving force to write this book. And to my readers, you should think before you act. Be motivated. Be inspired."

About the Author

Gillian Firth is an award winning, and inspirational author in this generation. She was featured in both local and national news Daily Express (2002) and, Write Lines in Print (Best Seller), Local

Newspapers Selby, Goole, York et al. She already published and promoted books on Amazon and Author House (2014). Also, she had radio and TV interviews with the fabulous Dr. Angela Chester, with the wonderful Kate Delaney, and with the smooth Suzanne Lynn Chessman and recently with the actor Logan Crawford at Spotlight Network for her books Typically Gillian and Gillian MK2. You can watch her interviews here, <https://www.youtube.com/watch?v=4l0hpFVeBAQ&t=9s>, <https://www.youtube.com/watch?v=uPsS6lj5pZ4>.
