Management Expert, [Dr. Paul Thompson](#), today announced that in conjunction with [GetHairMD™](#), it has added a comprehensive suite of FDA-cleared hair loss/enhancement treatments to its robust service offerings.

With this partnership, Dr. Thompson joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss.

GetHairMD™ offers a one-stop shop for patients battling hair loss. These solutions range from non-invasive

treatments such as nutritional supplements, prescription topicals, at-home therapies, laser hair growth treatments and stress management products to minimally invasive hair grafting. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"The Thompson Clinic has been successfully helping patients on their anti-aging and wellness journey for years with age management programs specifically designed for each patient. We have decided that non-surgical hair loss/regrowth was the next logical extension of services to better serve the needs of our loyal patients," said Dr. Thompson. "GetHairMD's full suite of safe and effective clinically-proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option to meet their needs."

“We are so pleased to be partnering with Dr. Thompson and The Thompson Clinic to bring our proven hair loss/regrowth treatments to patients in Ft. Worth and the surrounding areas” said Paul Herchman, GetHairMD CEO, “Hair loss affects over 45% of the adult population in both men and women. Dr. Thompson and the fantastic team at The Thompson Clinic can now offer these breakthrough, proven hair loss solutions to their patients as part of their overall wellness program.”
