“

We are especially pleased with Cool Gray on our Salt and Pepper Shaker Set, it really is spectacular and will set any kitchen apart.”

Lawrence Barnes

Lawrence Barnes, CEO of Walford Home, is excited about the addition of Cool Grey to their product line. "We are thrilled to add this trendy color to our already popular farmhouse product line. Cool Grey is the perfect addition to any home, kitchen, or garden and we can't wait to see our retail partners' excitement as they offer it to their customers. We are especially pleased with Cool Gray on our [Salt and Pepper Shaker Set](#), it really is spectacular."

Cool Grey is a versatile and sophisticated color that is perfect for home decor products. It is a muted shade of grey that has a calming and soothing effect, making it a popular choice for

creating a soothing and inviting atmosphere in homes. The cool undertones of this color make it a great option for adding a modern touch to traditional farmhouse style decor. It pairs well with natural wood tones, metals, and other neutral colors, making it a versatile option for a variety of home decor products such as flower pots, vases, trays, and kitchen utensil holders. Walford Homes interpretation of Cool Grey is a trendy and timeless color that will add a touch of elegance and style to any home.

Walford Home is currently taking orders only for retail stores for this new color. Retail buyers can contact Walford Home's sales team to place their orders at contact@walfordhome.com.
