Online Auction With Over 480 Lots of Automation and Electrical Equipment and MRO Ends on March 15, 2023

DELTA, OHIO, UNITED STATES, March 13, 2023 /EINPresswire.com/ -- A large [online auction](#) of automation and [MRO](#) equipment from various power generation facilities, hosted by NRI Industrial, is set to end on March 15, 2023.

"We are pleased with the activities in the auction so far," said Ilan Levitin, Director of Sales at NRI. "Buyers have less than two days to bid on high-quality [automotive equipment](#) and MRO at liquidation pricing."

The list of equipment in the auction includes:

- Over 480 MRO and industrial parts
- Electrical equipment
- Tools
- Power transmission equipment
- Valves and pumps
- Safety equipment
- and much more.

Lots are located in an air-conditioned environment in Delta, Ohio and Rio Rancho, New Mexico. Buyers can register and bid online by visiting: <https://www.nrisolutions.com/auctions>

Our journey started in 2001 with a simple beginning. Today, we have become one of the largest surplus equipment sellers in North America. Throughout our growth, our mission has been constant. We specialize in providing our clients with sustainable solutions for highly sought-after new and used industrial equipment.

We do so by partnering with businesses from various sectors, including Pulp and Paper, Oil and Petro-Chemical, Energy, Food Processing, and Mining, to preserve the economic and environmental well-being of the communities we serve.

We take pride in our sustainable solutions that keep tons of obsolete machines, equipment, and parts out of landfills and scrap piles while providing the industry with an economical source for industrial equipment.
