“The Keystone Recognition Program honors exemplary talent partners who share nextSource’s commitment to provide clients with greater access to talent,” commented Catherine Candland, nextSource Chief Executive Officer. “We are pleased to congratulate and thank Eclaro for distinguishing themselves by providing exceptional performance, committing to superb customer service, and delivering great talent to our clients.”

Eclaro, which is headquartered in New York City and operates in the U.S., Canada and the Philippines, specializes in the recruitment and management of highly skilled professionals in information technology, finance, insurance, accounting, marketing, human resources,

business operations, sales, engineering, manufacturing, life sciences, healthcare and more. Utilizing the proprietary TRINIT-E service-delivery approach, Eclaro helps clients implement programs to drive innovation and growth. A bespoke, customized approach to providing talent solutions has always been a hallmark of Eclaro, which boasts a 97% client retention rate and an average relationship lasting more than 10 years.

“At Eclaro, everything we do is about service excellence and establishing long term partnerships with our clients and consultants,” says Kate McCabe, SVP, Strategic Accounts at Eclaro. “These prestigious awards recognize Eclaro’s global team and processes as best in class. We are grateful for the acknowledgement and will continue to innovate and impress with the scope of our ability to deliver the right people for all of our clients’ talent needs in North America and the Philippines.”

On March 1st nextSource hosted an exclusive celebratory event in Washington, D.C. to honor all finalists.

"Everyone at Eclaro is so grateful to Catherine Candland and the entire nextSource team for all of the opportunities, partnership and support you have provided us over the last 12 years," McCabe says. "We have always told everyone we meet interested in using a managed service provider that nextSource runs the best-in-class MSP programs in the market. It is a pleasure and a privilege to work with the nextSource team every day, and we look forward to all that our continued partnership will enable."
