

# Astrix Becomes Veeva Preferred Services Partner for Veeva Development Cloud

RED BANK, NJ, USA, March 14, 2023 /EINPresswire.com/ -- [Astrix, a market leader](#) in creating and delivering innovative strategies, solutions, and people to the life science community, today announced it is a Veeva Preferred Services Partner. The company received Veeva Preferred certification status for business process and strategy services for Veeva Development Cloud solutions.

Astrix's core clinical and regulatory strategic consulting and application delivery services, paired with a Veeva Preferred certification, create a full array of services for Veeva Development Cloud strategy and optimization programs.

"Astrix services for Veeva's cloud software present an opportunity for the life sciences market," said Dale Curtis, CEO of Astrix. "By leveraging our years of expertise and domain knowledge, clients can supercharge their clinical and regulatory operations for faster, more efficient processes."

Through world-class people, processes, and technology, Astrix works with clients to fundamentally improve business, scientific, and medical outcomes. Founded by scientists to solve the unique challenges of the life science community, Astrix remains the trusted partner of the life science community for end-to-end strategy, technology implementation, optimization, and staffing needs.
