The Coaches Collaboration

“

People don't remember you for the clothes you wore, the car you drove, or the jewelry you owned, they remember you for the impact that you had on their lives.”

Taurea Vision Avant

The Coaches Collaboration Book is a one-of-a-kind book that provides a unique perspective on coaching by bringing together experts from diverse fields, including business, sports, psychology, and personal development. The book aims to inspire and empower aspiring coaches to become successful in their careers by providing them with invaluable insights and practical advice. Three of our coaches will also be keynoting at the conference Dr. LaTonya Jackson speaking on “Limitless Leadership: It Starts with You!”, Dannella Burnett “6 Steps to 6 Figure

Events”, Taurea Vision Avant “How Your Book Can Be a Full-Time Business and Inspire The World”.

The Coaches Collaboration Book features 12 coaches/authors, each of whom has contributed a chapter on their area of expertise. These authors are some of the most respected names in their respective fields and have a wealth of experience and knowledge to share. The book covers a

range of topics, including leadership coaching, team coaching, career coaching, wellness coaching, and more.

"We're excited to launch the Coaches Collaboration Book and bring together such a talented group of coaches," said the book's creator, Taurea Vision Avant. "Our goal was to create a book that would be a valuable resource for coaches of all levels and provide them with a unique perspective on coaching. We believe we've achieved that goal and are confident that readers will find the book to be a valuable addition to their coaching library."

The Coaches Collaboration Book is not only a valuable resource for coaches but also for anyone interested in personal development and self-improvement. The book provides insights and advice that can be applied to all areas of life, from career and business to relationships and personal well-being.
