

Find LionEight ELD at Mid-America Trucking Show

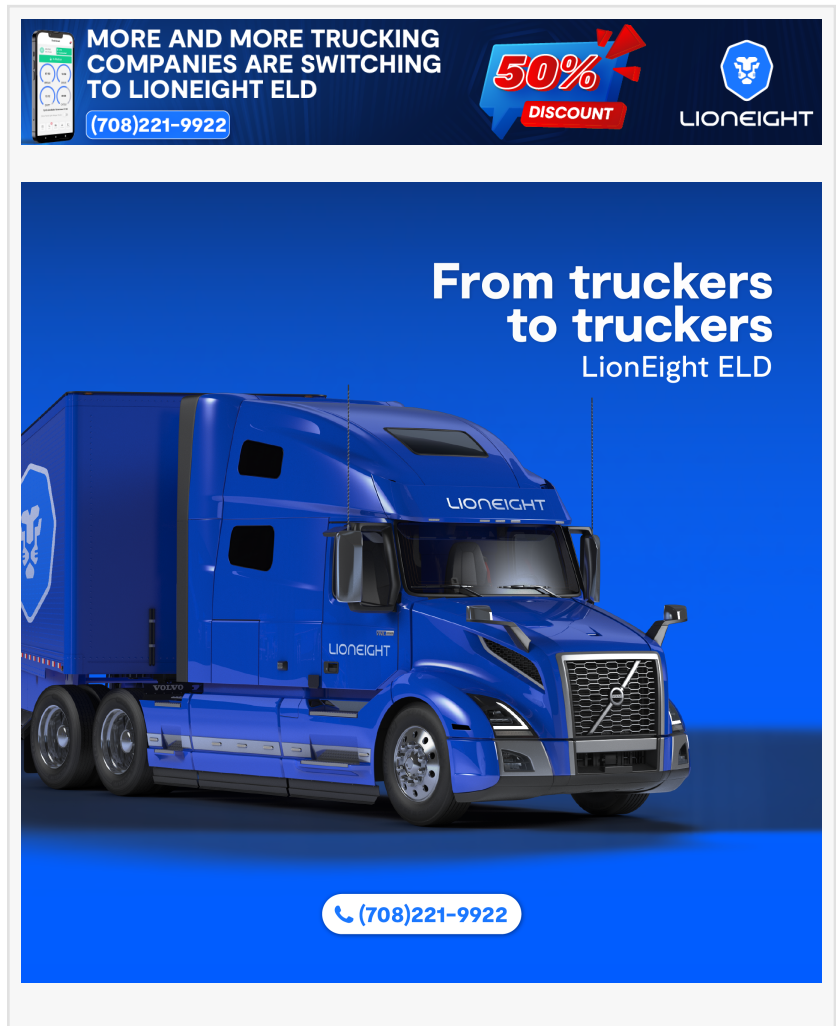

LOUISVILLE, KENTUCKY, UNITED STATES, March 14, 2023

/EINPresswire.com/ -- [LionEight](#) will be one of the exhibitors at the [Mid-America Trucking Show](#) this year. The largest annual trucking event in the world takes place from March 30th to April 1st, 2023. Visitors will be able to find LionEight at booth #40,357 in the North Lobby, where they can learn all the information about their ELD and other devices, as well as their software solutions.

LionEight is currently one of the fastest-growing software companies in the trucking industry. Under the "Ride with the Lions" slogan, their mission is to revolutionize the ELD trucking system and how trucking fleets are organized and managed.

Created by truckers for truckers, LionEight is an FMCSA-certified fleet management solution offering simplified compliance with [registered ELD](#), Dashcams, Real-time GPS tracking, Dispatch and Maintenance solutions, and IFTA Reporting. Here are some of their best features, all available within one platform:

- Smart Dashboard
- Advanced Alerts
- IFTA Reporting
- Vehicle Inspection and Diagnostics
- Unidentified Driving Events
- Maintenance Schedule Solution
- And so much more!

LionEight ELD

The advertisement features a blue semi-truck with the LionEight logo on the side. To the right, a smartphone displays the LionEight ELD dashboard. The dashboard includes a 'Dashboard' header, a 'DRIVING' status indicator showing '0 hr 9 min' and '375' miles, and a green 'In Motion' bar. Below these are four circular gauges: '07:50 BREAK', '10:50 DRIVING', '13:12 SHIFT', and '40:00 CYCLE'. A 'Cycle Available Tomorrow: 4' indicator is also visible. The truck has 'LIONEIGHT' written on the side.
