Patients tell their success stories:

Nicole Pan recovered from Covid but post-Covid, she experienced a persistent dry cough especially at night. For two straight weeks, the dry cough not only disturbed her sleep but also her husband's. Nicole commented: "My husband helped find a solution because he found Dr. Zhang. After taking Dr. Zhang's cough herbal tea for two days, my dry cough subsided substantially. Within a few days, my cough was completely gone. My husband and I can finally have quality and uninterrupted sleep. Because Dr.

Cough Herbal Tea

Zhang's cough herbal tea is so effective, I recovered from this post-Covid condition so quickly. This is a miracle. My mom recently became Dr. Zhang's patient for general health improvement. I highly recommend Dr. Zhang to everyone."

Mingyu Chong had Covid back in September 2022. Even though she recovered from Covid within seven days, she experienced an almost five-month long cough with phlegm and mucus day and night. She took all kinds of cough medicine, cough syrups but nothing worked. After taking Dr. Zhang's cough herbal tea for two days, her condition improved drastically. She said: "I am on my fourth day of taking Dr. Zhang's cough herbal tea and I am almost 100% there. Dr. Zhang's cough herbal tea is magic. Thank you Dr. Zhang."

Jennifer had a cough along with phlegm and mucus for quite a few weeks. The cough was a result of her sinus infection. After taking Dr. Zhang's Cough Herbal Tea for two days, her cough completely stopped and phlegm and mucus were gone. "I cannot believe how fast this herbal tea helped me recover from weeks' long cough. Thanks to Dr. Zhang's herbal tea, my sinus infection was also treated at the same time. This is amazing."
