NEW YORK CITY, NEW YORK, UNITED STATES, March 15, 2023

/EINPresswire.com/ -- Market.us is a market intelligence company that has recently released a new report “[Global Veterinary Services Market 2023](#)” which covers a comprehensive study offering concise and comprehensive information on the market segments.

Emerging in Veterinary Services and market-driving factors will propel the decision-making process. In addition, market statistics information from 2015 to 2023, major market players, their company profiles, Geographical overview, market share, and segmentation of the Veterinary Services industry will help readers plan their business strategies.

The veterinary services market is a rapidly growing sector that provides medical care and treatment to animals. The market includes a wide range of services, such as routine checkups, surgical procedures, vaccinations, and emergency care. The demand for veterinary services is driven by an increasing pet population, rising pet healthcare expenditure, and growing awareness of animal health and wellness. Additionally, advancements in technology and the development of new treatment methods are further fueling the growth of the veterinary services market. The market is highly fragmented, with numerous players operating in both developed and developing economies. However, consolidation efforts are expected to increase in the coming years as larger players seek to expand their presence through mergers and acquisitions. Overall, the veterinary services market is poised for continued growth in the years ahead, driven by increasing demand for high-quality animal healthcare services.

The TOP key market players listed in the report with their sales, revenues, and strategies are

Abaxis, VCA (all based in the US), Benfield Pet Hospital, Greencross Vets (Australia), CVS Group (UK), The Bergh Memorial Animal Hospital, The Bergh Memorial Animal Hospital

Segment by Type

Veterinary Drug
Veterinary Devices
