- Business interruption claims
- Burglary and vandalism damages
- Flood losses
- Equipment breakdown losses.

Home Safe Claims Miami Public Adjusters are proficient in both English and Spanish so that Miami residents can understand the complex language of insurance claims. The company's bilingual staff strives to make sure clients fully understand the rights as policyholders so that a fair settlement could be obtained from the insurance company.

The company takes a personalized approach when assessing each individual case. By assessing the damages caused by a related incident and its financial impact on property owners and business operators whose lives were disrupted by a single event. The company handles all aspects of public adjustment services, including inspections, negotiations, and litigation support (if necessary), and with the transparency and professionalism that comes with many years of experience working within Miami's unique insurance market.

Home Safe Claim's team understands how important it is for Miami residents to get full value from insurance policies after experiencing damaging losses or incidents beyond the policyholder's control. Through careful negotiation with insurers on behalf of clients, Home Safe Claims helps ensure that policyholders receive full compensation according to law. Miami-Dade County residents can now rest assured that a trustworthy bilingual
