

Black Attorney Follows Her Passion and Opens Premium Visions Braid Bar in Washington, DC, Metro Area

WASHINGTON, D.C., UNITED STATES, March 26, 2023 /EINPresswire.com/ -- March is National Women's History Month which honors those who are making a difference in the community. Binta Mamadou, Esq. is one such contributor as the proud founder of [Visions Braid Bar](#), which she describes as an intersection where "excellence meets creativity."

Visions Braid Bar is an exquisite salon established to provide Black women with natural hair styling solutions in a modern and professional atmosphere. Clients can relax in an impeccably clean and comfortable environment, complete with modern amenities which allow them to work quietly or relax while streaming their favorite shows. Their extensive list of services includes braids, cornrows, locs, twists, faux locs, crochets, and more. The business operates like a well-oiled machine – through meticulous team and calendar management, Visions Braid Bar is proud to minimize, and in most cases eliminate, wait times.

A recent [JP Morgan](#) report reveals "Black women are the fastest growing demographic of entrepreneurs in the U.S." Armed with determination, Binta followed her passion for hair and created Visions Braid Bar as a "side hustle" in 2020 while continuing to practice law. When asked about the vision (no pun intended!)
