

# Dezerland Action Park Orlando partners with Larger Than Life's annual dream trip for community event

*Entertainment center to host 35 seriously ill children with cancer*

ORLANDO, FLA, UNITED STATES, March 15, 2023 /EINPresswire.com/ -- When a family receives a serious diagnosis, especially for a child, it often becomes the focus of everyday life. Dezerland Action Park and Larger Than Life are working together to give these families a day of fun.

On March 20, Dezerland Action Park will host 35 children and teens, who are not currently undergoing treatment, as a part of Larger Than Life's annual dream trip. Larger Than Life is a nonprofit organization that supports children and families in Israel throughout the healing process. Each year, the organization brings children—accompanied by caregivers, medical professionals, and family members—from Israel and other parts of the United States to Orlando.

For this year's trip, Dezerland Action Park has agreed to cover the cost of all 75 to 100 guests' fun and food during their visit to the entertainment center.

The group will enjoy a kosher meal inside Pinball Palace and a tour of the Orlando Auto Museum, which is home to more than 2,000 vehicles, including many vehicles made famous by television and movies, and the world's largest collection of James Bond vehicles and memorabilia.

Larger Than Life and Dezerland Action Park are also inviting members of the local community and other supporters of the organization to take part in the fun with a celebration in the Orlando
