About National College Cricket Association (NCCA):

The NCCA is an organization that will help bring a professional cricket network amongst the colleges in the United States. We, as college students and alumni, hope to grow and advance college cricket year after year. We have over 30 colleges in America that have joined NCCA and hope to grow. We want to promote more cricket by providing a platform that allows teams to play in various leagues and tournaments, apart from the ones NCCA hosts. NCCA allows colleges to form innovative tournaments and events as well to build a strong community in the college cricket society.
