

IntuThings is Exhibiting at IoT India Expo 2023, New Delhi

AHMEDABAD, GUJARAT, INDIA, March 16, 2023 /EINPresswire.com/ -- Ahmedabad, Gujarat. 16th March, 2023. IntuThings is excited to announce its participation at the India's largest tech exhibition IoT India Expo 2023 co-located at Convergence India Expo to be held at Pragati Maidan, New Delhi from 27th to 29th March 2023.

IntuThings, an Intuz Group Company (est. 2008), is a leading IoT product development company based out of India and USA. It has deep technical expertise and domain experience in IoT product development and industry-specific smart IoT solutions.

What IntuThings Does?

IntuThings empower OEMs and/or product manufacturers with IoT capabilities, giving businesses a unique value proposition for their clients. From product discovery and IoT prototype development to the commercial production of devices, IntuThings is your go-to technology partner for IoT product development, coupled with cloud-based web and mobile applications.

Experience IntuThings' IoT platform - built for various use case solutions - and discover how it can provide rapid development and a quicker go-to-market approach.

How IntuThings is solving real-world problems and enabling sustainable growth

- Quicker time-to-market
- Reduced development costs
- Unwavering security and scalability
