In 2019, the Women Automotive Summit was an incredible success, with more than 175 attendees worldwide, including 20 global leaders, and 10 networking events. A Senior Executive, at BMW Group, shared her enthusiasm for the event by stating "Great opportunity to connect with others who share the same passion for the automotive industry".

“

Inspirational day, great people and excellent organization!"

Another person added, "The Women Automotive Summit is an essential event for women in the automotive industry, as it encourages collaboration, inspiration, and empowerment."

This year's Women Automotive Summit promises to be

even bigger and better than before. It will feature award-winning industry leaders who will share their success stories, insights on how to reach one's potential, and how new technologies will affect the industry. Attendees will be able to network with peers and discuss what is needed for future success.

DO YOU WANT TO SPEAK IN PERSON AT THE SUMMIT?

The Women Automotive Summit also welcomes proposals for presentations and workshops. The goal is to exchange knowledge and best practices in the automotive industry and provide diverse perspectives and experiences.
