

# Filmmaker Bob Bryan Examines the World of Poetry with His Award-Winning Film GV6 THE ODYSSEY: Poets, Passion & Poetry

*GV6 THE ODYSSEY stands as a 'Must-See' Documentary Presentation with huge Educational and Creative implications for those drawn to Language and Literature!*

LOS ANGELES, CALIFORNIA, UNITED STATES OF AMERICA, March 27, 2023 /EINPresswire.com/ -- [GV6 THE ODYSSEY: Poets, Passion & Poetry](#) - The Complex & Compelling Face of Poetry.

How are Poets able to conjure provocative mental images, stimulate secret passions, stir-up complex and unresolved personal issues in their audiences? What motivates these Poets to Confess, Create and bend 'Reality' ?

Perhaps this devotion to the process of transcribing the Encrypted Truth dictated by the 'little voices whispering inside their heads' are simply metaphorical 'Post-Cards from the edge of dissonant consciousness' ?

Moreover, these Poetic Artifacts are likely the 'Magical by-products' of countless hours of disciplined rewriting and soul-searching. This complicated and laborious process has evolved to a point where each and every passionately written word is contemplated, weighed, evaluated and juxtaposed. Every single published 'word-bubble thought' promises to be a near-perfect embodiment of that sublime 'aha' birth-marked moment of sublime revelation.

GV6 THE ODYSSEY examines and reveals the truth behind 31 Multi-Ethnic Award-Winning Published and Respected Poets and their Poetic Creations in a seamlessly woven, uniquely honest visual tapestry. Deftly guided by Multi-Award Winning Filmmaker Bob Bryan, GV6 synthesizes One-on-One Poetry Readings, Graphic Iconography, Creative insights, and dramatic

poignant Interviews into a profound and enlightening presentation.

GV6 THE ODYSSEY stands as a 'Must-See' Documentary Presentation with huge Educational and Creative implications for those drawn to Language and Literature!

The end-result renders a shockingly honest and fascinating snapshot of the Private / Public world of the POET and their oftentimes grossly misunderstood and underappreciated art form, 'POETRY'. Decide for yourself what's going on... but only if you value the complete, raw unadulterated truth.

(Partial List) Reviews:

"If you can buy only one poetry program this year, buy this odyssey of 31 Poets who read, rant, and philosophize about what they do.

This treasure trove of contemporary poets spans all ages and ethnicities — just having them together here is exciting. Each poet is articulate and passionate. Viewers who already love poetry will be grateful to have so much solid poetry at hand and hear it read so well by its creators. Those new to poetry or unfamiliar
