

RALPH PILOLLI BRINGS PHILISOPHY AND FANTASY TOGETHER

Author Ralph Pilolli shares his philosophy through fantasy in his book [Land of Philantasy](#)

TORONTO , ONTARIO, CANADA, March 17, 2023 /EINPresswire.com/ -- A life navigated by curiosity with faith becomes more than just a chance to live. It becomes a gift worth waking up to, and author Ralph Pilolli believes in this and shares his philosophy through fantasy in his book [Land of Philantasy](#).

A genuinely written book of short stories, *Land of Philantasy*, published in May 2019, touches on subjects like the broadness of the human experience, technology, and nature. From questioning to arriving at answers that may or may not lead to another, if not more, questions.

“This is a book best understood by reading it. It’s not overly long, and the writing clips along at a good pace. If you’re a fan of the fantasy genre, this book is one worth adding to a collection,” Hollywood Book Reviews writes.

Indeed, *Land of Philantasy* is best understood when read because of its philosophic and provocative approach. But even with it being so, many still recommend it as it is equally as enjoyable.

A Korean war veteran and father, Ralph Pilolli started early in the industry. Back then, according to him, he was “coerced” into writing a weekly column for a local newspaper. He then did a bi-weekly column for a sports car paper, and it just became larger from there. Safe to say that his journey led him to publishing his own book, *Land of Philantasy*.
