Rick Kendrick is on a mission to help make home sellers aware of the benefits of working with Your Home Sold Guaranteed Realty.

NORTH PALM BEACH, FLORIDA, UNITED STATES, October 9, 2023 /EINPresswire.com/ -- Your Home Sold Guaranteed Realty has changed the world of real estate sales with its exclusive Guaranteed Sales Program. According to Rick, the exclusive [Guaranteed Sale Program](#) makes both Sellers and Agents happy. The Seller benefits from the home selling at its highest price, and the Agent benefits from having a steady flow of listing appointments with Sellers who are ready and waiting to act.

The Guaranteed Sale Program is exclusive to Your Home Sold Guaranteed Realty, which owns its trademark giving the realtors a real advantage over the competition.

Rick remarked about the program, "Customers love real solutions to their problems that they can count on. A big one they faced is a typical real estate Catch-22 for most homeowners wanting to sell and buy a home: timing being off and either getting stuck owning two homes or none at all.

If they sell first, without a place to move into, they become homeless and have the expensive problem of renting while something develops. While if they buy first, they end up with two homes, with all the associated headaches that are easy to imagine.

Our Guaranteed Sales Program solves this huge dilemma for customers.

And even better, when Agents are armed with access to the program, the real magic happens. The Agents change their relationship with the marketplace ending up with motivated clients who turn into two sales – their current home and the purchase of their new property."

In the experience of Your Home Sold Guaranteed, the exclusive Guaranteed Sales Program is the top way for Agents to increase their listings and help their clients simultaneously, which leads to more money in their pockets—a total win-win.

The new relationship with Radio TV Agents is nearly certain to help the program increase its
