

# Heat Pump Installation Services in Carmel, Maine Offered By D&J Mechanical, LLC

*Homeowners and business owners in Carmel, Maine can get high-quality heat pump installation services from trusted heat pump company D&J Mechanical, LLC.*

CARMEL, MAINE, UNITED STATES, March 20, 2023 /EINPresswire.com/ -- Established local company [D&J Mechanical, LLC](#) brings reliable heat pump installation service to the community in Carmel, Maine. The HVAC company now serves nine towns in Penobscot County, thirteen towns in Piscataquis County, and three towns in Somerset County.

Winter temperatures get very cold in Carmel, with residents and business owners relying heavily on heating systems. Over recent years, heat pumps have grown in popularity to become the preferred heating solution. D&J Mechanical, LLC supplies and installs advanced Mitsubishi mini-split systems along with superior customer service. In addition, the company provides trusted maintenance and repair services to communities in Central Maine.

"We're excited to provide our [heat pump installation service in Carmel, Maine](#)," said Dan Hartford, owner of

Efficiency Maine Residential Registered Vendor: D&J Mechanical, LLC

D&J Mechanical, LLC. "We offer friendly service and proven products, including advanced heat pump systems. If you want industry-leading performance and best-in-class manufacturing quality, our Mitsubishi mini-split systems are perfect for the job. We're also an Efficiency Maine Residential Registered Vendor, which means we help customers maximize their rebates and lower their energy bills."

Carmel, Maine is a small rural town situated in Penobscot County. The center of town is located at the intersection of U.S. Route 2 and Maine State Route 100, and Interstate 95 also passes through town in an east-west

direction. Geographically, Carmel is located west of [Hermon, Maine](#) and southwest of Levant and Glenburn. Incorporated in 1811, Carmel has a population of 3,000 and a size of 36 square miles. This close-knit community is part of the Bangor area, with Bangor itself just 20 minutes down the road. Property owners in Carmel face winter temperatures of 15°F and lower, with high-quality HVAC systems helping to enable a great quality of life.
