As a one-stop housekeeping and home services company, BUTLER Housekeeping has been providing exceptional services to more than 2,000 clients across Singapore since 2016. With the introduction of the world's first daily housekeeping subscription, the company aims to further enhance the lives of its clients by offering personalized, top-quality services that cater to their individual needs.

“

We are proud to bring the hotel experience to people's homes and make their lives easier and more enjoyable.”

Poon Da Qian, CEO of BUTLER Housekeeping

The daily housekeeping subscription, available at [housekeeping.sg](#), starts from just \$30/hr, making it an

accessible and affordable option for many households in Singapore. Subscribers can enjoy a wide range of services, including cleaning, laundry, ironing, and even personalized concierge services through BUTLER Concierge™.

“We are proud to bring the hotel experience to people's homes and make their lives easier and

more enjoyable," said Poon Da Qian, CEO of BUTLER Housekeeping. "Our dedicated team of certified professional housekeepers, along with our proprietary key management process and automated housekeeping system, ensures that our clients receive the highest level of service and support."

In addition to daily housekeeping, BUTLER Housekeeping offers various other home services, such as aircon maintenance, handyman services, and upholstery cleaning, making it a one-stop solution for all home care needs.

The company's commitment to excellence and innovation has garnered several accolades, including the prestigious SME 500 award and recognition as a Business for Good by Raise Singapore. These accomplishments are a testament to BUTLER Housekeeping's dedication to providing the highest quality services to its clients and contributing to the well-being of society.

One of the key differentiators of BUTLER Housekeeping is its focus on technology and innovation. The company has invested in advanced systems and processes to streamline its operations and ensure that clients receive seamless, hassle-free services. For instance, BUTLER Housekeeping has developed a proprietary key management system that guarantees the security and confidentiality of clients' homes. This system, combined with the company's automated housekeeping scheduling platform, enables BUTLER Housekeeping to deliver unparalleled service quality and efficiency.

Another aspect that sets BUTLER Housekeeping apart is its emphasis on employee welfare and development. The company has implemented various initiatives to promote the well-being of its housekeepers and ensure that they have access to continuous learning and development opportunities. This focus on employee welfare has not only resulted in high levels of employee satisfaction and retention but has also translated into superior service quality for clients.

Moreover, BUTLER Housekeeping has been actively involved in community outreach programs and social initiatives. The company has partnered with various non-profit organizations to
