Trending Online Tutoring Market Trend

Companies in the online tutoring market are increasingly investing in trends such as gamification

for better user engagement. Gamification in e-learning and online tutoring is expected to inspire a game-like reaction and engagement among learners. This results in improved information retention, motivation, and increased productivity. For instance, in June 2020, Byju's, an India-based educational technology and online tutoring company, introduced Disney BYJU'S Early Learn app for Android and iOS, which involves gamification strategies. Other online tutoring companies such as Class Dojo and rainscape have also invested in gamification.
