

6th Annual MarketsandMarkets Real-World Evidence & Life Sciences Analytics Conference Boston on October 16th - 17th 2023

The emergence of this pandemic has posed severe financial constraints on pharma-biopharma companies in several countries,

BOSTON, MASSACHUSETTS, UNITED STATES, March 20, 2023

/EINPresswire.com/ --

MarketsandMarkets is pleased to announce that registrations for the [6th](#)

[Annual Real-World Evidence and Life Sciences Analytics Conference](#) have started with an early bird discount of 20%. The conference will be held on October 16th - 17th, 2023, in Boston, USA.

6th Annual Real-World Evidence and Life Sciences Analytics Conference

The Real-World Evidence and Life Sciences Analytics Conference is one of the leading events in the life sciences industry, bringing together thought leaders, industry experts, and professionals to discuss the latest trends, technologies, and best practices in real-world evidence and life sciences analytics. The conference provides a unique opportunity for attendees to learn from experts, share their experiences, and network with peers and colleagues.

□□□□□□ □□□: <https://events.marketsandmarkets.com/6th-annual-marketsandmarkets-real-world-evidence-and-life-science-analytics-conference/enquiry>

This year's conference will cover a wide range of topics, including:

- Real-world evidence generation, analysis, and interpretation
- Real-world data sources and analytics
- Artificial intelligence and machine learning in life sciences
- Digital health and wearables
- Patient-centricity and patient-reported outcomes
- Health economics and outcomes research
- Regulatory compliance and patient privacy
- Data visualization and storytelling

And much more!

The conference will feature keynote speeches, panel discussions, case studies, and interactive workshops led by industry leaders and experts. The conference program has been designed to provide attendees with valuable insights, actionable strategies, and practical tips that they can apply in their work.
