MythCraft is a groundbreaking TTRPG that offers players unparalleled freedom and flexibility in character creation, a dynamic Action Points (AP) system, and a Spell Points system, all set within a rich, immersive world. The game features extensive occupation and profession trees, 49 specialized skills, and a talent point system for limitless customization options.

This remarkable achievement underscores the anticipation for MythCraft's release, as well as the dedication of its creators to provide a top-tier gaming experience. By reaching its funding goal so quickly, MythCraft has set the stage for the fulfillment of its various Kickstarter pledge rewards, which include early access to the Discord server, playtest access, website and book credits, and the Core Rulebook.

The campaign's stretch goals promise even more exciting content for backers, such as additional campaign settings, character options, physical products, and more. MythCraft is committed to supporting third-party content creators. The MythCraft team would like to express their heartfelt gratitude to their backers for the tremendous support and enthusiasm they have shown. The campaign's success bodes well for the game's continued development and expansion, with fulfillment set to begin in January 2024. For more information about MythCraft, please visit the

Kickstarter page and follow the project's social media channels for the latest updates.
